OPENING DOORS

Opening Doors

- During my 35 years of professional experience, I excelled in opening doors of opportunities, solving complex problems, and delivering sustainable performance in difficult situations.
- My career bridged various leadership roles with multinational corporations and family-owned businesses across four continents and multiple industries, including: Technology and e-commerce, Pharmaceuticals, Consumer goods, Insurance, and Agriculture.
- Now I am opening a new door to share this rich knowledge with organizations seeking sustainable growth. Through **CLÉS MOYEN ORIENT**, I will offer my expertise in Strategic Thinking, Business Management and Problem Solving, to companies looking for the Keys to unlock external and internal opportunities.

Areas of focus

Based in Paris, I will leverage my experience to open doors for companies through these focus areas:

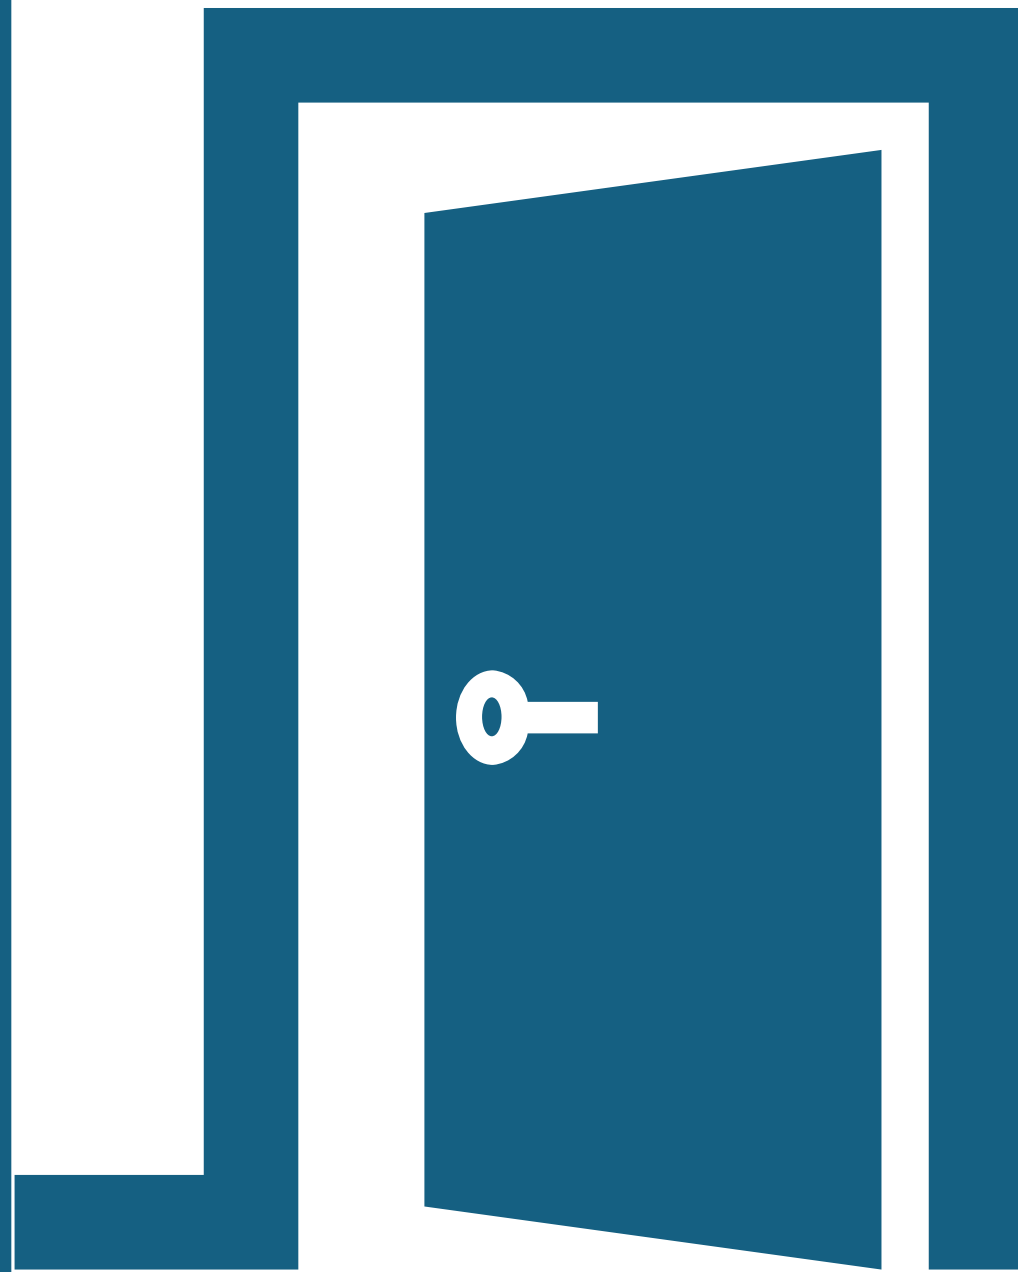

1. **Business Consultancy:** Strategy, Problem Solving, Communication, Infrastructure, Distribution networks, Action plans
2. **Leadership Coaching:** Unlocking the potential of CEOs and Management teams in their Leadership Success and Strategic Thinking
3. **Board Director seats:** Add value to companies as an independent board member
